

OUR SCHOOL

The School

The British School of Amsterdam is an independent school offering a quality British style education to children of all nationalities between the ages of two and currently fifteen years.

The School was founded in 1978 by members of the British community in Amsterdam to offer a full curriculum similar to that of the United Kingdom. It is a non-profit making association managed by a Board of Governors elected by the Association. All parents of children attending the school automatically become members of the Association.

Location and Facilities

The School is conveniently situated in a quiet and popular suburb of south Amsterdam. A high percentage of the children are able to walk to school. There is excellent access by car from all parts of the city and outlying areas, and the local bus, tram and metro services are very good. In addition the school offers a limited bus service.

National Curriculum

The academic programme is based on the National Curriculum for England and Wales covering the four core subjects:

- ❖ English
- ❖ Mathematics
- ❖ Science
- ❖ Information Communication Technology.

The students are also taught the foundation subjects Design and Technology, History, Geography, Art and Design, Music and Physical Education. In addition Dutch, French, Latin, Spanish and Music Technology are available for certain age groups.
